Review the course offerings below and discuss the selections with your parent/guardian, teachers and counselor. Check the box next to the course you are requesting. You must choose a minimum of 14 courses plus three alternates (A). Courses are tentative and subject to change due to enrollment numbers. The current Course Guide can be viewed online at the eagleschools.net>Battle Mountain High School>Counseling

Class Selection/Class Change Policy

I have read and understand the “BMHS Class Selection and Course Change Policy’

Parent Signature and Date:

Student Signature and Date:

AP POLICY

1. A student will need to earn a 2 or better to get a weighted grade for that class.

2. All students taking an AP class will be REQUIRED to take the AP exam in May and are responsible for the cost of the exam

3. AP courses are a year-long class and not a semester class. Students are expected to remain in the class for the entire school year. Should a student drop out after first semester then the grade becomes unweighted. Both teacher and administration signatures are required to drop the class.

DE/CE (Concurrent Enrollment) POLICY

1. CMC and BMHS have different drop dates. Students will follow **BMHS drop date** which is within the first 3 days after a semester begins. A student who drops a DE/CE class after the BMHS drop date will receive a WF on their BMHS transcript unless there are extenuating circumstances.

2. CMC offers several dates and times to take the Accuplacer which allows for a student’s placement in a DE class (provided they pass with an eligible score). If a student takes the Accuplacer test past the required deadline, then their placement in the class is not guaranteed. Students interested in DE/CE classes are eligible by scoring...

CMC Class	Test Component	Next –Generation Accuplacer	SAT	ACT
DE Eng Comp, DE Science, Art History	English/Reading	246+	470+	17+
